FILED

The Honorable Chairman and Members
Of the Hawaii Public Utilities Commission
Kekuanaoa Building, First Floor
465 South King Street
Honolulu, Hawaii 96813

Subject: Hawaiian Electric Company, Inc.
Docket No. 2008-0083 Corrected Opening Brief

Dear Commissioners:

Hawaiian Electric Company, Inc. ("Hawaiian Electric") will be filing a Corrected Opening Brief today. The Corrected Opening Brief should be reviewed instead of the Opening Brief ("OB") that was filed on January 5, 2010. (Hawaiian Electric's January 5, 2010 OB should be disregarded.)

We experienced computer problems while finalizing Hawaiian Electric's OB which resulted in finalizing the OB using a recovered backup version of the OB. After filing the OB, we discovered that the introductory portion of the Results of Operations section (Section I of the OB) was inadvertently omitted, another portion of the Results of Operations section did not capture revisions that had been made to the section, and formatting corrections (e.g., different fonts, line spacing) made throughout the OB were not captured.

Hawaiian Electric's Corrected Opening Brief will correct the errors in the Results of Operations section previously identified by adding the introductory section and including the revisions to the Results of Operations section, and the formatting errors contained throughout the OB. Hawaiian Electric emailed a corrected Results of Operations section to the Consumer Advocate and Department of Defense on January 5, 2010.

The Honorable Chairman and Members
Of the Hawaii Public Utilities Commission

We apologize for any inconvenience caused by the filing of a Corrected Opening Brief.

Very truly yours,
